To Whom It May Concern:

Thank you for your interest in partnering with local education agencies in Maryland to facilitate exchange programs bringing teachers to the United States. In Maryland, all teacher employment decisions are made by Maryland's 24 local education agencies. I am pleased to provide a letter of "no objection" as required by the United States Department of State as part of the requirements for designation as a J-1 Visa sponsor;

[REDACTED]

This "no objection" letter is contingent upon Global Faculty Organization, Inc. being designated as an approved program sponsor by the United States Department of State. Full responsibility for meeting the requirements of being designated and approved as an exchange visitor program sponsor and meeting continuing requirements rests with each individual provider. I hope that the above information is helpful and wish you every success as you work with local education agencies to improve educational opportunities for Maryland students.

Sincerely,

Carey M. Wright, Ed.D.  
Interim State Superintendent of Schools
